BacPac Easy

15.0" - 15.4"

Ultra light-weight and sportive 15,4" Notebook backpack

The sportive Notebook backpack BacPac Easy distinguishes itself with its especially small weight of only 600 gram! The generously dimensioned main compartment protects Notebooks up to 15.4" perfectly with its integrated Notebook compartment and offers plenty of storage room for further documents. Additional mobile equipment can be stored in the front compartment, where an integrated workstation keeps cell phones, pens and business cards and such in order. Cell phones, MP3 players or iPods can be placed in the multimedia pockets, of which one features a special opening for headphone cables, and in which the mobile accessories are always ready-to-hand. Further equipment finds room in the attached side pockets. The water-repellent, durable material of BacPac Easy makes for additional protection for your Notebook and equipment. Pleasant transportation is ensured by the padded and adjustable shoulder straps, the back padding and the carry handle.

Thanks to the three color combinations of black/ white, red/ white and green/ white, BacPac Easy suits just about any fashion!
